Warrant

To the inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Jefferson on Tuesday, the Eighth day of March, next at two of the clock in the afternoon to open the polls and to meet at seven-thirty of the clock in the evening for the business meeting to act upon the following subjects:

The Polls will be open from 2:00 P.M. to 8:00 P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise the sum of three hundred fifty two dollars and twenty nine cents (\$352.29) and receive from the State of N.H. the sum of two thousand three hundred forty eight dollars and sixty one cents (\$2,348.61) for Town Road Aid.
4. To see if the Town will vote to raise the sum of \$664.43 for membership in the White Mountains Regional Association.
5. To see if the Town will vote to raise sum of money of up to \$644.00 to be donated to the Beatrice D. Weeks Memorial Hospital.
6. To see if the Town will vote to raise the sum of \$1,073.75 for a donation to the White Mountains Community Services.
7. To see if the Town will vote to raise the sum of \$400.00 for maintenance at the Whitefield Regional Airport.
8. To see if the Town will vote to reopen that portion of the Flaherty Road (in Riverton) that has been rebuilt subject to T.R.A. Specifications.
9. To see if the Town will vote to raise the sum of \$2,000.00 to be placed in Capital Reserve in Fund No. 1 for the purpose of road equipment.
10. To see if the Town will vote to raise the sum of \$3,000.00 to be placed in Capital Reserve Fund for the purpose of a new Fire Station.

11. To see if the Town will vote to transfer interest earned on Capital Reserve funds, (account no. 2 & 3) as reported by the Financial Report of the Trustees of Trust Funds to the No. 1 Capital Reserve account.
12. To see if the Town will vote to direct the Planning Board to undertake the development of a land use plan.
13. To see if the Town will vote to direct the Selectmen to inform the Secretary of Agriculture of the Town's desire that the approximately 2,500 acres of land owned by the Gregg Trust and lying north of U.S. Route 2, including Mt. Starr King be acquired as a part of the White Mountains National Forest.
14. To see if the Town will vote to give to each Selectmen, Treasurer and Town Clerk a \$100.00 raise and a \$25.00 raise to the Town Auditor.
15. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Authorities Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

APPROPRIATION	AMOUNT
Road Maintenance.	\$8,000.00
Fire Department	2,000.00
Town Dump.	2,000.00
Police Department.	2,000.00
16. To see if the Town will vote to raise \$7,000.00 for the purpose of crushing gravel at the Town Gravel Pit.
17. To see if the Town will vote to allow the Selectmen to use the Anti Recession Funds as an offset for road maintenance labor.
18. To see if the Town will vote to accept and spend any Federal Grants received.
19. To see if the Town will vote to raise the sum of \$1,000.00 to be donated to the White Mountains Center for the Arts. (By Petition)
20. To see if the Town will vote to allow the Selectmen to administer or dispose of any real estate acquired through Tax Collector Deeds.
21. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

22. To Transact any other legal business that may come before this meeting.

Given under our hands and seal, this Sixteenth day of February, in the year of our Lord nineteen hundred and Seventy-Seven.

Respectfully submitted,
PHYLLIS A. KIMBALL
Treasurer

The Librarians and the Trustees of the Jefferson Public Library are very grateful to their Library neighbors for their kindnesses. Nathan Brooks ploughs a path to our door after every storm; Mr. and Mrs. Lawrence Burke have given a room-size rug for the children's corner, which is much appreciated in cold weather; and Robert Ferguson has given us a **display** rack, which we use for our Craft books.

We also wish to thank Avery Bodwell for painting our new shelves, without charge. A number of people have also given us good books and recent magazines, for which we are very grateful.

The Friends of the Library have been very active this year. They sponsored a float in the Bicentennial parade, held a Book and bake sale, sponsored an open house in the Fall, and managed a splendid Christmas bazaar, which they hope to make an annual affair. We hope others will join this energetic group, and work for a better library. A notice of a Friends of the Library meeting in the paper, is your invitation to join. You will be welcome!

Do you like to do puzzles? We have some for loan, including a huge one that no one has tackled yet.

Perhaps you like to sew, and have been finding patterns very expensive. We have a pattern collection, which is not being used as much as it might be. Perhaps you could find what you need.

Do you have a record player, but are tired of your old records? Why not borrow a few from the Library. In 1975, 100 records were circulated to Jefferson people of all ages.

And don't forget to "take a reading break"! The Library can supply you with books and magazines for your various interests.

GURDA NEVERS
Librarian

Treasurer's Report

I hereby certify that I have received from the Selectmen, Tax Collector and Town Clerk for the year ending December 31, 1976:

Receipts	\$512,827.66

	594,214.66
Paid Selectmen's Orders	<u>492,373.37</u>
	\$101,841.29

ETHEL G. SMITH
Treasurer

AUDITOR'S REPORT

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Town of Jefferson for the fiscal year ending December 31, 1976, and found them correct.

JANE M. HOLMES
Auditor

Summary Program of the
White Mountains Region Association
1976 (39th Year)

Your Region Association during the past year has committed much of its energy and time in helping to design an air passenger/freight system for northern New Hampshire, which, given the constraints of available funds, would have the best chance for long term success. The WMRA, together with the N.H. Aeronautics Commission, the N.H. Office of Comprehensive Planning, the New England Regional Commission, the Lebanon Airport Development Corporation, and the N.H. Transportation Authority, revised the program substantially from that which was implemented during the summer of 1975. The major change was a shifting of focus of the air system from Lebanon, N.H. to Boston's Logan International Airport. The reasons for the change were: 1) a questionnaire distributed to businesses, and informal discussions with numerous residents of the region, confirmed a prevailing opinion that people preferred to fly to Boston, 2) to fly directly to Boston would increase reliability, improve service, and create passenger satisfaction. Other changes included the integration of the Berlin Municipal Airport in addition to the Whitefield Regional Airport, and enlistment of travel agents to handle all reservations, ticketing and information. Also a reservations only system was implemented in an effort to minimize "empty flights" which occurred under initial fixed scheduled system.

As many of you know, the original system went into operation in July of 1975 and served the Whitefield-Lebanon Airports only (connecting flights to New York and Boston were made at Lebanon). Given the disappointingly low passenger levels for the period of July 28 through early 1976, a decision was made to terminate the program in February and start up again in June of 1976, with flights to Boston. The hiatus thus created, in addition to providing adequate time for planning, would give the program an opportunity to get out advanced promotion and publicity, the chance for which was not initially available to the project.

The response to the new air system which began June 13, 1976 has been encouraging. There is no doubt that the program changes have markedly increased public acceptance, but the question remains whether the region can or is willing to support a year-round air service, or whether such service, at best, will be limited to the summer and fall seasons only.

In other activities your Association, during the past year, has published three issues of its magazine, Outlook, copies of which were sent to all businesses in the region. The magazine included articles on skiing, on Burndy's move to northern New Hampshire, on the Volvo Tennis Tournament, on Colebrook's interest in aviation, on Berlin's growth and progress, on the Bicentennial histories of Haverhill, Jackson and Woodstock, on Berlin's Vocational Technical School, on tourism, on the White Mountain National Forest, on the christmas tree industry, on the White Mountains Center for the Arts, on the Lin-Wood Medical Center, on Heritage New Hampshire, and on industrial development in the White Mountains Region.

Also, your Association put together and published 40,000 Where to Stay folders and, in addition, put together the White Mountains section of the state accomodations directory. The Association distributed thousands of its Where to Stay, its White Mountains Map and Guide, its Canoeing and Kayaking folders, and its Fall Foliage brochure to chambers of commerce, to state highway rest areas, and to automobile clubs and travel agents throughout the United States and Canada.

Furthermore, your Association is putting together a new cross country/nordic ski brochure, 30,000 of which will be printed and distributed during the fall and winter of 1976. Other brochures the Association distributed in reply to inquiries were those of Ski 93, the White Mountains Attraction Association, the White Mountains Center for the Arts, and the Mt. Washington Valley Association. The Association also distributed individual business and town brochures upon request.

Your Association also sponsored an annual meeting at the Town and Country Motor Inn in Shelburne which included a panel discussion by Fredrick Laplante, director of the N.H. Révenue Administration, and by Mr. John Andrews, executive director of the N.H. Municipal Association. The program was especially designed for selectmen and other community officials. Following the discussion the WMRA made a presentation on how its activities positively effect the region and its towns. During the evening program, U.S. Morris Udall, chairman of the Committee on Insular Affairs, discussed legislation (Payment in Lieu of Taxes Act) which, if passed, would increase the amount of money the Federal Government would pay to communities that border the National Forest. Twenty-six northern communities would share in these increased revenues. Since Cong. Udall's appearance, the WMRA has been in touch with Congressman Cleveland's office regarding the progress of this legislation.

Other activities of the Region Association/executive director during the past fiscal year included: 1) weekly surveys during the summer months of hotels-inns and motels to determine "how business was doing." These surveys were conducted in conjunction with the State Office of Vacation Travel to assist the office in its advertising and promotional campaign, 2) conducted two major membership drives, 3) sponsored a "White Mountains Region Day" at the White Mountain Center to which former WMRA presidents were invited, 4) met with selectmen in many communities to outline WMRA activities and to inform them on how best the WMRA could assist them, 5) conducted an annual solicitation of hotels-motels and inns and campgrounds regarding listings in the state and region directories, 6) attended numerous meetings of the White Mountains Center for the Arts for which the WMRA contributes the minutes of each meeting, 7) attended several meetings with Council of Region Associations, 8) participated (shared expense) in a program with the White Mountains Attractions Association at the Mt. Washington Hotel for members of the American Society of Travel Writers (twenty-one members of the Society visited the region, many of whom have written entertaining stories about the region and its activities), 9) sent out appropriation requests to forty-six communities of the region, 10) attended two Governor's conferences on tourism, sponsored by the N.H. Travel Council, 11) prepared to revise the Canoeing and Kayaking folder and the Fall Foliage folders, 12) preliminary preparation for black fly conference, to be held on Jan. 30 - Feb. 2, 1977 at the Balsam's Hotel, 13) spoke on radio and to Rotary Clubs about WMRA activities, 14) contributed \$200 each to the following communities in the interest of local projects: Carroll, Sugar Hill and Franconia, (Please note other communities that have faithfully supported the WMRA over the years will also receive such funding when projects become identified), 15) also contributed to the Bedell Bridge restoration project \$100; the Mt. Washington Observatory, \$25, and the White Mountains Museum of Forest History, \$50, 16) assisted the State Office of Vacation Travel in putting together a tennis information brochure for the region.

The Association answered 3,539 single inquiries, 241 bulk inquiries, wrote 167 personal letters, sent 51 bulletins of lodging and real estate inquiries, sent 15,178 mimeographed letters, and wrote 14 news releases.

Whitefield Regional Airport

COMMISSION REPORT

1976 was a very busy year at the Whitefield Regional Airport, with many worthwhile projects being accomplished; for example, all the cracks and holes in the runway and apron were routed and filled, as per F.A.A. specification for our class of airport certification.

The Shirley Mahn Hanger on the airport property was purchased and becomes part of the airport; property of the Town of Whitefield.

A regular air service was run this past summer from June 13th, 1976 to September 13, 1976. These flights were from Whitefield to Boston and return. A total of 5,911 people arrived or departed Whitefield Regional Airport.

Total aircraft movements for the 1976 were 1,479. Of these 352 were business; 165 commercial; and 962 were private or pleasure.

We look forward to a continued growth and use potential of the Whitefield Regional Airport.

There is, at the present time, a new (private) five stall hanger under construction on airport property, as well as a Marker Beacon to be used in conjunction with the instrument landing system. The latter project is State funded.

An airport Master Plan is currently being drawn up. Such Master Plan being a prerequisite of the Department of Transportation when processing applications for available airport funding.

It has been a pleasure working with our airport manager, Mr. Roland Ferland, the Selectmen of Whitefield, and the Commissions of Dalton, Jefferson, Lancaster, Littleton, Northumberland and Whitefield.

Respectfully submitted,

GEORGE PLANEY
Chairman

Whitefield Regional Airport Commission

Report of the Planning Board

The current members of the Jefferson Planning Board are as follows: Earl Ellingwood, Chairman; Donald Noyes, Co-Chairman; Neil Gross; Blake Nason; Wilma Corrigan; Phoebe Chardon; and an associate member, Patricia Enman. In the event of a tie on the six member board, James Kenison votes as the Selectmen's representative.

The Planning Board has met at 7:30 p.m. on the second and fourth Tuesday of every month throughout the year in the Selectmen's office in the Town Hall. The Board has held 10 preliminary hearings and 10 abutters hearings. Eight subdivisions were approved by the Board in the course of the year.

The Board has again this year devoted substantial blocks of time to the problems caused by the Environmental Protection Agency's requirement that open burning be terminated at all dumps by July 1, 1977. Contact was made with all surrounding towns in the interests of promoting a regional solution. Since it was felt that more time was needed in order to find a viable alternative to the present dump, application has been made to the N.H. Air Pollution Control Agency requesting a further extension of time to continue operating an open burning dump.

The Planning Board has prepared an attitudinal questionnaire designed to ascertain how the residents of Jefferson feel on various matters relating to the growth and future development of the town. Plans have been made to distribute the questionnaire to all residents of the town during the spring.

The proposed revision of the Jefferson Subdivision Regulations has now been completed. The main changes consist in 1) adding the requirements which will allow Jefferson residents to obtain Flood Plain Insurance through the Federal Government and 2) adopting minor subdivision regulations in order to simplify the the subdivision process for subdivision of four lots or less. Public hearings on these changes will be held on April 6th and 20th.

As mentioned in last year's report, the Selectmen, Planning Board and the North Country Council collaborated on a map delineating the town's flood Plain area in order to meet Federal requirements which would assure that people buying property in the flood plain area would be able to acquire mortgages. Unfortunately there were numerous discrepancies between the final

Flood Hazard Boundary Map as drawn up by the Federal Insurance Administration of HUD and the map prepared by the Selectmen, Planning Board and North Country Council. Despite the discrepancies, the Planning Board reluctantly approved the Federal map in order to avoid further delay. After receiving notification of the Planning Board's dissatisfaction, HUD has now agreed to modify the map.

Members of the Planning Board attended informational meetings on town planning and zoning at the White Mountain Regional High School and participated in a five session weekly seminar on municipal law sponsored by the North Country Council.

PATRICIA ENMAN, Associate

Fire Chief's Report

The Department made 19 runs during 1976. Many were chimney related and underscore a problem of unsafe chimneys being used with air tight stoves.

A fire prevention program has been instituted. A talk was given to the school children on home fire drills, prevention and use of fire extinguishers. The chimney brushes are available to any who wish to use them and fire inspections of the house will be made on request.

The Jefferson Firemen's Association again raised money parking cars at the Festival and the wives ran another successful penny sale. The funds are being set aside for future needs of the Department.

I would like to emphasize how important smoke detectors, fire extinguisher and home fire drills are to your life and property. But even more important is prevention - a look at the smallest house fire tells why.

Respectfully submitted,

CHARLES D. BOND

Chief

REPORT OF FOREST FIRE WARDEN

During the year ending December,31, 1976

My expenses were:

Training session for the men	\$ 78.92
50 Fire permits issued	25.00
Labor and mileage, inspecting incenerators and campsites	<u>29.40</u>

Total expenses \$133.32

This year we were very fortunate there were no forest fires in town.

Report of District Fire Chief and Town Forest Fire Warden

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest-fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

REPORT OF THE JEFFERSON BICENTENNIAL COMMITTEE

At Town Meeting in 1975 a request was made for volunteers to serve on the Town's Bicentennial Committee and six persons signed up. Their work began in January, 1976 with meetings as necessary to get events planned and projects started. Representatives of various organizations met with them and chose projects to carry out.

The committee applied for a grant of \$1,000 for the New Hampshire American Revolution Bicentennial Commission, which required matching funds, a project taken over by the Jefferson Volunteer Fire Department with excellent results.

The Home Demonstration Group chose to make two Bicentennial Quilt, one to be for permanent display and the other to be awarded following sale of tickets. This was done at the Bicentennial Costume Ball sponsored by Starr King Grange and held on July 23. Mrs. Goldie Oleson of Jefferson was the winner. The display quilt will be hung in a special cabinet in the Museum, the major project undertaken by the committee. This involved complete renovation of the woodshed at the local Library.

This long-term project to provide a depository for historical memorabilia, was carried out by local builder Clyde Holmes and his crew. A letter to the committee from the State Office for Historic Preservation notes that "The Woodshed property is eligible for listing in the National Register of Historic Places." Application for this has not been made but should be done soon as it is a long process to complete.

Opening event was the presentation of the Bicentennial Flag to the Town at ceremonies held prior to Town Meeting in March with Gilbert Center of the State Commission present.

On Flag Day the Jefferson Chorus, under the direction of Mrs. Nancy Winsor, presented a Patriotic Concert which was enjoyed by a large crowd.

On July 10 a gala parade with over 60 entries proved a very successful and enjoyable event, termed a truly hometown parade, free from commercialization seen at other parades. The Town float, depicting "Colonel Whipple's Tavern," appeared at the Littleton parade on July 3 and again at the Jefferson parade. Directing the parade was the Harold Davis family.

Mrs. Elsie Dorr headed up a committee to present a crafts and 4-H display as well as demonstrations of various crafts at the Town

Hall. Pliny Rebekah Lodge served a supper at the 100F Hall, followed by an evening of entertainment, courtesy of the White Mountain Center for the Arts, with the Mandella Dancers. Highlights of the evening was unveiling of Harry Donohue's statue of Gen John Stark with a speech by Sen. Norris Cotton. The selectmen made a presentation of a "Bicentennial Citizen of the Year" Certificate to Mrs. Helen Merrill, committee chairman.

On Aug. 14 a Youth Activities Day was held with Mr. and Mrs. Alain Chardon in charge of events which included a fishing derby, appearance of the Little Red Wagon, sporting events, rides in antique cars or fire truck and a teen dance in the evening.

Projects included marking of streets and roads by the JAC'S; marking of rivers, brooks and ponds by Mt. Jefferson Lodge IOOF; erection of a storage shed (a continuing project) by the PTA; clearing of cemeteries by the Hy-Landers Snowmobile Club.

Two other projects were setting up of the old Hill School bell on the library lawn and moving of the watering trough from the former N.E. Perkins house to the site of the Hill School (a project carried out by the State Highway Dept.).

The committee received permission to purchase commemorative plates, tiles and mugs, as well as Granny Stalbird buttons which are still available.

In an effort to carry out the Colonial atmosphere of the celebration the committee urged residents to wear period costumes and the response was most gratifying with even the younger set getting into the act.

Letters were mailed to other Jeffersons in the country and several responses were received with information about their towns.

Bicentennial Flags and Bunting appeared around town at business and private places.

The local library provided special exhibits and was open for visitors during the celebration.

Without the cooperation of the Selectmen, the townspeople and the various organizations, the celebration would not have been a gala success and the woodshed would still be a woodshed.

We have tried to provide events which would interest all ages and remind the people of their tremendous heritage as Americans.

Our Museum is a memorial to the efforts of the whole town and should provide much enjoyment as well as an insight into the

past for today and for posterity.

Your Bicentennial Committee appreciates all the help received and encouragement given throughout the year as Jefferson, along with the rest of the Nation; observed 200 years of freedom and growth.

A belated gift to the Museum project has been received from White Mountains Region Association with the presentation of a check for \$200 to be used for carrying out necessary additions for the Museum.

Another on-going project is a historical sketch of local post-offices which Mrs. Wilma Corrigan is researching.

A scrapbook of materials pertaining to the celebration will also be made up for display at the Museum.

As with many projects, the committee encountered disappointments and discouragement at times but with the backing of everyone, we feel that the Bicentennial Year was a memorable one and we appreciate everything that people did to make it that way.

TOWN REPORT FOR 1976 FROM North Country Council

The Council reviewed and provided technical comments on the town's subdivision regulations 1976.

On the regional level, North Country Council, Inc. completed the Overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applications. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

Planning News, the Council's quarterly newsletter, disseminates useful information on community planning, economic development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's Economic Development Committee will be investigating the probable impact of the lessening of

energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,

EARL ELLINGWOOD

DONALD NOYES

NCC Representatives

Public Health Nursing Service, Inc.

TOWN REPORT 1976

As the Bi-centennial year ends Lancaster Public Health Nursing can look back on a successful year with many changes taking place. Lancaster Public Health made a change in administration on the recommendation of Medicare surveyors. We now have a nurse director as of September 1, 1976 and Mrs. Janice Knowles, R.N. of Danville, Vermont was hired as a full time staff nurse in September 1976.

We continue to provide coverage for Lancaster, Whitefield, Jefferson, Dalton and Groveton, along with a medicare billing contract with Milan.

The Public Health Nursing Committee organizes the agency program. The committee is composed of volunteer members from each community represented by the agency. The officers of the past year were:

Chairman:	Mrs. Roland Kimball
Vice-Chairman:	Mrs. Keith Tenney
Secretary:	Mrs. Benjamin Blodgett
Treasurer:	Mrs. Robert Quay

This year the agency has held monthly blood pressure clinics for senior citizens in the towns of Lancaster, Jefferson, Whitefield and Groveton. These have been sponsored by Community Action. Diabetic screening are also conducted at these clinics approximately twice a year.

Pre-school physicals examinations including dental checks were done in May. Physicians in attendance included Drs. Beattie, Lewis and Yunghans, and the Dental Hygienist from Dr. Perreault's office. 43 children were examined. Pre-school vision and hearing testing were done on 80 children also in May.

A very successful Swine Flu Clinic was held in Lancaster and Groveton immunizing a total of 2,188 people. The agency wishes to extend its sincere thanks to all organizations and volunteers who participated in this very successful clinic. I personally would like extend my sincere thanks to the Public Health Nursing Committee for a job well done.

In October 1976 the Lancaster Public Health Nursing Service signed a contract with Groveton to provide nursing service to that community.

A total of 2924 nursing and physical therapy visits were made to area residents in 1976.

We continue to have immunization clinics on the third Friday of each month. A total of 329 children attended these clinics with the following immunizations being given: DPT, Polio, Measles, Mumps, Rubella, and Tine Tests were done on several children.

We wish to extend our appreciation to the many organizations which have assisted us during the year. The Enmons Smith Fund, Timberland Machines, Inc., White Mountain Community Services, Crippled Children's Services, N.H. Heart Association, and the Department of Welfare and Communicable Disease.

The members of the staff have attended inservice meetings throughout the year covering many interesting and varied topics such as, Care of the Patient with a Pacemaker, Heart and Breath Sounds, Quality Assurance and Nursing Audit.

In the future the agency hopes to do more in the areas of prevention and health education.

I would like to extend special thanks to the Public Health Nursing Committee, The Medical Staff of B.D. Weeks Memorial Hospital, Drs. James Ferguson and Robert Lewis for serving our Medical Advisory Committee, Miss Eleanor Kenney, R.N., Mrs. Stewart Foss, Secretary; Mrs. Jacquelyn Sawin, R.N.; Mrs. Mary Fitch, R.N.; Miss Sandra Placey, R.N.; Mrs. Janice Knowles, R.N.; Mrs. Carol Haas, R.P.T.; Mrs. Julia Belmore, R.N.; Mrs. Alice Cummings, R.N.; and members of our communities for their guidance and assistance during the past year.

Respectfully submitted,
MARCIA HARMER, Director
